

the SMART way  
to GROW your  
**BUSINESS**

A group of business professionals in a meeting, looking at documents and discussing. The image is partially obscured by the text on the left.

We take a team approach to advising clients on the right product with the best quality and lowest rate without compromising client needs.

## Company

Established in 2000 with the small business in the trading of computer and gradually rise to software support. Now, since 2011 diversifying and expanding in power, construction and security system.

Trusted and appreciated by many clients in the field of Electrical, Computer and security Systems.

## What We Do

We bridge the gap between buyer and seller in an effective way to provide them best quality, cheapest rate within their specified requirement.

- **Estimation, Costing, Tendering support**
- **Engineering, Design, CAD support**
- **Trading, Outsourcing, Fabrication Support**
- **Consulting, servicing, Site Support**
- **Computer Hardware, Software, IT Support**
- **CCTV, Fingerprint Lock, Security System**
- **Export, Import, Logistic Support**
- **Manufacturer, Trader, Consultant**
- **Electrical Industries, Construction Sector, IT,**
- **Recruitment and many more will be added...**

## Hamzavi Consultancy Company (HCCO)

For all your enquiries to supply the Electrical components and services from the different manufacturers.

HCCO is a Consulting, Trading and Contracting Co. based in Ahmedabad, India and with branch office (proposed to be in 2014) in Mumbai, committed to provide high quality products that combine performance with value pricing, efficient technical support, and services that fulfill and exceed the customer expectation. Our dedication to quality is a value incorporated into our routine activities, daily planning, design, and implementation of processes. Founded in early 2000 with Computer trading, services and maintenance. Later in 2011, we have moved one step further by exploring in total new direction of Import Export Services. Again in 2012, we made further development by involving in core Industrial trading and servicing. Since 2012, we are confident to say that all of our clients are happy and comfort with the result oriented effort towards execution and implementation. Our company is specialized in several lines:

- **Low Voltage Switchgear:** where we are the partners for representative of an international world class manufacturers like Schneider, Siemens, L&T, LSIS & People Electric.
- **Lighting:** where we are partner with leading representative and manufacturer of fittings for various types of luminaries and assemble complete lighting units as per customer requirements. It covers all types of lights such as Fluorescent lights, Indication lights, flood lights, High bay lights, street lights, Weather proof lights, etc.
- **Medium and High Voltage:** HCCO is in discussion for a partnership for MEIDEN Japan covering the Vacuum interrupter and Technology Transfer for "Metal clad Indoor switchgear" Panels range from 3.3 KV up to 11 KV. We are already partner with Siemens System Partner as well as People Electric China.
- **Transformers:** We are partner with manufacturing company with a modern state of the art facility for manufacturing and repairing of transformers up to 50 MVA and 132 KV class.
- **Contracting and Retail Divisions:** Our Contracting division participated in several iconic projects in the region, while our Trading division represents world leaders in different product lines (MICC Cables and Accessories, earthing Systems, Explosion Proof products, Lighting Fittings, Lamps, Fire Fighting System, Process Instrumentation etc ...)
- **HVAC, BMS & PLC Division:** We are offering world class HVAC & BMS Solutions from reputed manufacturer like Siemens & Johnson or cost effective solutions from Indian Manufacturer. We also can offer you Siemens Make LC for your various requirements.
- **Installation, Testing & Commissioning Divisions:** We have dedicated team for Testing & Commissioning work for V, MV, HV Panels, Transformers, HVAC, BMS & PLCs.
- **Spare Parts Supply:** The team of specialized people to serve various client to source out spare parts as and when needed. We deal with variety of spare parts without any limitation, we simply say "YOU NAME IT, WE BRING IT"

**704, Pratiksha Complex, Opp. Shalimar Complex, Mahalaxmi Five Roads, Paldi, Ahmedabad – 380007.**

## ENERGY & POWER

Everything in the world relies on Energy & Power, no progress can be achieved without it. We at HCCO are focusing to satisfy our customers with their need to maintain reliable Power Source and satisfying their Energy Needs.

We focus to improve always and make the client happy by our round the clock services with swift response. We are serving to Utilities, Industries, Contractors, Manufacturers & OEMs, and Commercial & Residential Properties.

For utilities: HCCO are a consultant for reputed Utility Companies to prepare their Specification for electrical equipment.

For Industries: HCCO supports variety of industries for their regular need of supply of various equipment (Electrical, Mechanical, Instrumentation, HVAC, BMS, and Automation etc.) Also, we have been supporting to the few reputed clients for their regular need of maintenance services and spare part requirement. The list includes Aviation Industries & Airports, Cement Industries, Process Industries, and Oil & Gas.

For Contractors: HCCO is regular supplier for various contractors. HCCO understand their technical need & define the scope and provide the optimum solutions (products as well services) for their project. HCCO support them for the need of Estimation, Engineering, Procurement and Execution on schedule. HCCO has long client list of Contractors like Civil, MEP, Electrical or Maintenance Contractors.

## **CONSTRUCTION AND INFRASTRUCTURE**

HCCO is always ready to support Infrastructure industries for their regular needs. Whether it is logistic support, Procurement support or Engineering Support. HCCO always focus for C&I clients to facilitate them with the optimum material combining with Aesthetic look, Quality and Cost effective.

HCCO can also support architectural, interior and engineering services as and when requested.

## **IT, COMPUTER & SECURITY SERVICES**

HCCO with the rich 14 years of experience in the field of IT & Computer services, we always aim for the best solutions with least possible time, round the clock swift response

and cost effective but quality solutions. We undertake Annual Maintenance Contract (AMC), Desktop Support, Engineering, Consulting and Procurement for Data Centers and Networking solutions.

HCCO also deal in security systems ranging from CCTV to fire alarm systems.

For IT Support we have a sister company engaged in modern state of art solutions with broad portfolio. Please visit the site for more information [www.hamzaviinfotech.com](http://www.hamzaviinfotech.com))

## **MANPOWER SUPPLY**

HCCO can supply quality manpower from non-skilled to skilled manpower for various projects.

For permanent recruitment need you many visit our sister company website. ([www.hamzavisolutions.com](http://www.hamzavisolutions.com))

## Our Strategy

**Inspire Excellence From All Employees:** Achieve a workplace culture that attracts, motivates and retains talented and accountable employees

**Swift Response & Commitment:** Swift response to client and fulfilling the commitment is they key strategy to make our client always satisfied.

**Build Strong Customer Relationships:** Develop a breadth of energy services and product options that will create greater value for our customers, while improving our ability to profitably earn and retain their business

**Achieve Operational Excellence:** Provide service that meets or exceeds customer expectations.

**Deliver Sustainable Energy:** Lead in the application of sustainable energy technologies while providing competitive prices for our customers.

**Foster Enduring Partnerships:** Engage all constituents in active support of our vision for HCCO's future and enhance the value we bring to the communities we serve.

**Assure Investment and Spending Diligence:** Optimize the use of financial resources to create value for shareholders and customers

## Our Products

### LOW VOLTAGE PRODUCTS

**Low Voltage Switchgear**

**Low Voltage Busduct**

**Sub Main Distribution Board**

**Capacitor Panel (APFC)**

**VFD Panels**

**Mimic Panels**

**UPS**

**DG Synchronization Panels**

**Local Control Station**

**Marshalling Box**

**Low Voltage MCC**

**Feeder Pillars**

**Distribution Board**

**ATS / AMF Panel**

**Annunciation Panels**

**Central Battery System**

**Soft Starter Panels**

**Control Panels**

**Weather Proof Enclosers**

**Junction Box**

### MEDIUM & HIGH VOLTAGE PRODUCTS

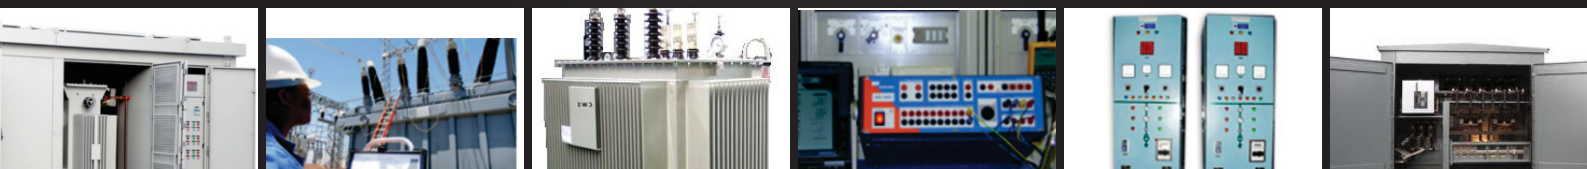

**Medium /High Voltage Switchgear (from 3.3kV to 22kV)**

**Battery and Battery Charger for MV Switchgear**

**Distribution Oil Filled Transformer**

**Package Substation**

**Control and Relay Panels**

## LIGHTING SYSTEM

**Amenity and Wall Lights**

**Bollard & Pathway Luminaire**

**Battern Luminaire**

**Bulkhead Luminaire**

**Down Lights & Down lights IP**

**Diffuser**

**Emergency Lighting**

**Exit Luminaire**

**Flood Lights**

**High bay Luminaire**

**In Ground IP Luminaire**

**LED Lights**

**Low Bay Luminaire**

**Recessed and surfaced Lightings**

**Street Lighting & Pole Top Luminaire**

**Underwater Lighting**

**Weatherproof Lighting**

**Decorative Lighting and etc**

## SOLAR PRODUCTS

**Residential Solar Power**

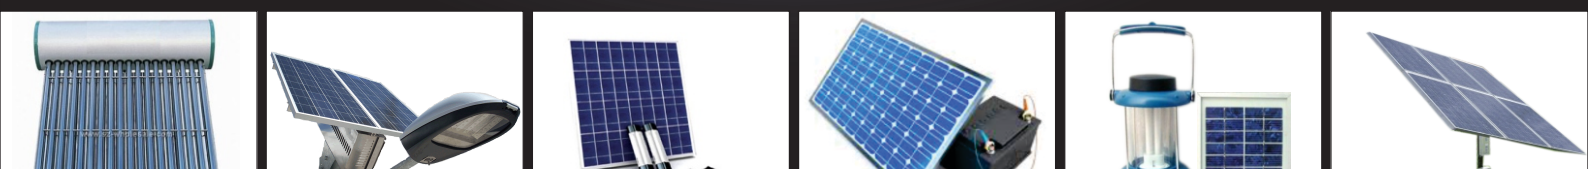

**Solar Water Heater**

**Solar Street Light**

**Solar Home Light**

**Solar Lantern**

**Solar Water Pumps**

## SWITCHGEAR COMPONENTS

**ACB**

**MCCB / MPCB**

**VCB**

**VC (Vaccum Contactor)**

**LBS**

**Lighting Arrestor**

**MCB**

**Contactor**

**ELCB**

**RCBO/ RCCB**

**Isolator**

**Switch Disconnectors**

**Change Over Switch**

**Surge Protection Device**

**Fuse**

**Switch Fuse Unit**

**Timer**

**Time Switch**

**Overload Relays**

**Power Suppliers**

**Starter**

**Measuring Device**

## SWITCHGEAR ACCESSORIES

**Relays**

**Energy Meters**

**PQM**

**Transducers**

**Cables**

**Cable Spiral**

**Hinges**

**Panel Meters (Analog, Digital)**

**TVM Meters**

**Load Managers**

**Recorders**

**Terminals**

**Cable Ties**

**Locks**

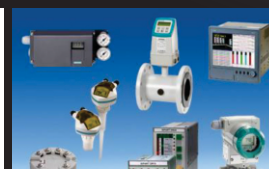

## OTHER PRODUCTS

**TESTING & MEASURING EQUIPMENTS**

**HVAC & BUILDING MANAGEMENT SYSTEM**

**AUTOMATION & CONTROLS (PLC, SCADA etc)**

**SPARE PARTS FOR ELECTRICAL, MECHANICAL, PROCESS INSTRUMENTATION, MARINE, SHIPYARD, AVIATION etc.**

## Our Services

**Addressing the needs of buyers, sellers and technical executives**

### MEP Contract

- ➔ Supply, installation, testing and commissioning of LV Switchgear Panels (415V) and boards, Wiring & Accessories, Light Fittings, Cable works, busbar trunking, Earthing and Lighting Protection System.
- ➔ Supply, installation, testing & Commissioning of power equipment as Diesel Generator, Frequency Converters, UPS, Invertors etc.
- ➔ Supply, installation, testing & handover of Extra Low Voltage systems such as:
  - Telephone & Data system
  - Fire Alarm System
  - CCTV and Security System
  - T.V. Distribution System
  - Public Address System
  - Audio Visual System
  - Parking Equipment System
  - Queuing System
  - Central Clock System
  - Access Control System
- ✎ Supply, Installation, Testing & Commissioning of MV & HV Switchgear (3.3kV to 22kV), Oil Filled Distribution Transformer, Power Cables and Accessories.
  - Supply & Installation of High Mast for Sports clubs up to 65Mtr.
  - Supply & Installation of Street Lighting Poles from 4M to 38M height complete with Lanterns
  - Supply & Installation of Feeder Pillars and Cable Works.

- Building Electrical Works and Automation
- HVAC & Mechanical Work
- Lifts & Escalator
- Plumbing & Sanitation
- Fire Fighting

## Maintenance Support

- Maintenance Projects for Substation, transformers and Switchgear
- Up-gradation of Transformers
- Retrofitting Jobs
- Maintenance of Transformers
- Supply of Spares of any brand or sourcing of equivalent product for existing/ obsolete products (Electrical, Mechanical, HVAC, BMS, Aviation, Automation Etc.)

## Testing & Commissioning Services

Testing & Commissioning of Electrical Equipment by well experienced and qualified Engineers.

## Quality

As a rapidly growing engineering firm, our commitment with our partners and clients is to provide them with sound engineering solutions adhering to the highest quality standards prevalent in the industry. This is possible through 'Continuous Improvement'.

## Customer Satisfaction

Satisfied customers are the main reason for our growing business. We shall continue to exceed their expectations and maintain a high standard of quality in all our solutions.

## Mission

- ➔ Consistently surpassing customer expectations of quality and on-time delivery. We will continue to invest in facilities, systems and highly trained technical personnel providing added-value to our business relationships
- ➔ Bringing comfort to our customers, supporting business and commerce, and building strong communities.
- ➔ One Stop Solutions: With wide range of Power products, HCCO is aiming to cover major Power & Energy equipment need of global market.
- ➔ Optimum Products: HCCO is committed to provide the highest quality products, competitively priced, on time delivery, with services exceeding our customers' expectations. We will continue to invest in facilities, systems and highly trained technical personnel providing added-value to our business relationships.
- ➔ Electrical energy is a cornerstone of our quality of life. There will be a continuing need for products and services to harness its use. HCCO will strive to be best-in-class as a distributor of quality products and services and a responsible corporate.
- ➔ To gain leadership as the largest trading company in India and across the Globe.
- ➔ To prove and maintain our leadership in technical innovation of power system, lighting technology, transmission & distribution system, Customer service & Satisfaction.

## Values

**Safety** : No operating condition or urgency of service can ever justify endangering the life of anyone. At all times, our first thought and primary consideration is safety for all employees, for customers and for the general public.

**Justice & Fairness** : Doing the right thing at the right time, every time.

**Trustworthiness** : Cultivating a reputation of honesty and straightforward communication.

**Responsibility** : Accepting accountability for your actions and living up to high ethical expectations.

**Citizenship** : Developing a sense of community among all those you encounter.

**Respect** : Treating others the way we want to be treated, regardless of position, and valuing each person's talents, perspectives and experience.

**Caring** : Maintaining a sincere desire to make the world a better place.

## Our Job

Our job is to provide certain product wherever our customers need it – with efficiency and with respect for the environment. We're in this business because it is concerned with the supply of a fundamental requirement of modern living, because it's an honorable one, because we like it, and because we want to earn a living at it.

We aim to give one kind of service to everyone ... the best that's possible. That means supplying our customers with what they want when they want it. It means being courteous and easy to do business with at all times. It means doing everything we can to keep complaints from arising, and it means prompt and fair handling of those that do.

We are citizens of each community we serve and take an active part in its affairs. Like any other individual, we want our neighbors to think well of us. Besides, it makes good business sense. We prosper only as the community prospers; so we help it thrive in every way we can.

Such is our job as we see it. We are trying to do it well and does it better all the time.

Hamzavi Consultancy Company

29, Silver Plaza, Maktampura Cross Road,

Ahmedabad, Gujarat

India-380055.

I would like to thank your company for offering professional services to supply RMU for the project of converting overhead lines into underground systems at various places in Dhaka city under jurisdiction of DESCO. I would specially like to single out Mr. Anas Memon for special praise and support related to technical specification. His dedication to the project was exemplary from start to finish.

Looking forward to working with you again on many other projects.

Regards

*E. Hossain*
